Welcome!

We are pleased to invite you to LUGI Judo Events 2016.

A very strong tradition

LUGI Judo Events is organized for the 38th time and it continues to grow and become more popular every year. The arrangement is unique because you can participate in so many different judo activities during the same weekend. **One-Stop-Judo-Shop!** Approximately one thousand people participate each year in the events. Participants travel to us from all over Europe. Sometimes we even get visitors from other parts of the world.

LUGI Judo Camp

As usual we are inviting a world class team of well-known coaches. You will be instructed by very skilled instructors from several different countries. Do not miss this very special opportunity!

Visiting club coaches and leaders

We encourage all club instructors and leaders to take an active part in the activities on the mat during LUGI Judo Camp. This will give you a good opportunity to study and learn new judo techniques, moreover new ways to teach judo. It is a very superior method for bringing home "new stuff" to the club and you get a better value for your money.

Extra event

We also arrange some other additional events such as veteran judo training, which will be announced later.
